Performing Arts	 <u>Young Voices</u> Children will develop their singing, vocal strength and performance skills through learning the material for Young Voices. The children will learn a variety of music from different backgrounds and cultures as well as learning to sing in two-part harmony.  <u>Christmas</u>		 <u>Drama Skills</u> The children will spend the first half of the spring term developing their drama skills including improvisation, speech and diction, mime and physicality and group dynamics and devising.		 <u>Key Stage 2 Musical</u> The children will be introduced to the musical, work on different roles and take part in informal auditions. They will begin to familiarise themselves with the musical numbers of the show.	 <u>Key Stage 2 Musical</u> The children will work together to rehearse and produce the show. All children will have a role to play on stage as well as helping with the backstage preparation, culminating in a performance for parents at the end of the year.

	The children will learn some traditional Christmas carols and sing at the end of term concert.
