### **Tips for Literacy Tasks**

Faced with a blank piece of paper a literacy task is a daunting challenge for many of our children; you might find that their inspiration is suddenly be ignited when a device of some description is in their hands! The following link has an app wheel on it which includes specific apps for children with dyslexia; it covers areas including reading, writing, memory and organisation.

<http://www.callscotland.org.uk/common-assets/cm-files/posters/ipad-apps-for-learners-with-dyslexia.pdf>

This website also has app wheels for children with Maths Learning Difficulties as apps for those children with ASD or Autism.

Regards

Clare Roberts
