Tips For Talking To Your Child About Dyslexia

Talking with your child about how dyslexia affects them can be quite difficult. There is a powerful, engaging new animation for all ages, to spread awareness and understanding of dyslexia at:

www.youtube.com/user/bdadyslexia

On this website there are many different video clips for you and your child to watch which may help them understand not only some of the difficulties but also the strengths many people with dyslexia have.
